

## Uniform Voucher Policy

September 2017

### **Uniform Voucher Policy – School Uniforms**

The Beckfoot Trust will provide Financial Support to families of students on free school meals now or that have been on free school meals at any time within the last six years. The eligibility will be based on the students identified on the Government's Ever6 database, and we will write to you in June/July.

Uniform vouchers will be valued at £26 and will be redeemable at Henry Smiths in Shipley and Natasha's Uniform Shop in Bradford. We will ask you to identify which of the two outlets you would be using. Vouchers will not be valid in any other outlets.

In special circumstances, uniform voucher support may be provided to other parents/carers where exceptional need can be explained (e.g. families moving into the area for the first time from abroad).

### **Parents and Carers should note:**

Before payments of vouchers can be made, parents/carers will be asked for the letter from school and proof of identity. Photo identity is preferred and is the quickest way of obtaining identity verification.
