

ASDAN at Hazelbeck

All of our students start their ASDAN journey in KS4 by following a tailored personal progress programme. In KS5 everyone follows at least one ASDAN programme or qualification. Your child's EHCP documentation should outline which ones your son/ daughter are following.

Why we do ASDAN?

- A wide range of courses and units available at Entry level and below to choose from so we can meet the needs of our students
- Focuses on what the students can do
- Flexible methods of evidence gathering
- Emphasis on functional / life skills

How you can support?

Encourage independence by getting your son/ daughter involved in their personal care and leisure time choices. Getting out and about and interacting with the community is a big part of what our ASDAN focuses on and so any chance to do this will give extra confidence. As always we would love to hear about what they have been up to and any photos may be useful additional evidence.

More information can be found on the ASDAN web site; www.asdan.org.uk or feel free to contact me at school.
