

WHAT'S OCCURRING?

We use various ways to keep you informed about what's on offer within the dining areas. So keep an eye on the information boards and screens within the dining area, and on the school website too and you'll always know what's going down.

We operate a promotional points scheme that helps to encourage healthier meal selections, called Healthy Rewards. It works by giving you points for the healthy items you purchase. The healthier the item the more points you receive, and there are great prizes awarded each term to the students with the most points.

The standard meal price is **£2.30***, and for this you will typically get a main course item including sides (e.g. potatoes or rice & vegetables) and a dessert.

We hope you agree that for a nutritious & tasty 2 course meal this is great value.

HOW TO PAY

At Hazelbeck all payments for food or drink are made via a cashless card. Money needs to be added to the card before it can be used.

You can pay by debit / credit card online using ParentPay (www.parentpay.com). Parents who don't have a credit/debit card can also use ParentPay; please request

Terms & Conditions
Prizes are awarded at the end of each term's prize period to the 6 students with the highest Healthy Rewards Points scores. Please Note: A prize can only be won by any student from Hazelbeck schools.
If a student is within the top 6 points but a student(s) with the highest points, will receive the prize.
Healthy Rewards points do not carry over into the next term's prize period. All absent's points scores start from zero at the start of a term's prize period.

For students entitled to free school meals, your daily allowance is credited to your card automatically each day. You can also top this up with additional money if you want. What's more, cards credited with free school meals look just the same as any other card.
