

# HAZELBECK STRATEGIC VISION 2021-24

## ONE SCHOOL, NO BARRIERS

### CORE PURPOSE:

To create a community which empowers students to overcome barriers and flourish in their future life.

### MEASURING IMPACT:

Our students will:

- Leave with meaningful and relevant accreditation
- Leave prepared for their future so they can be as independent as possible and lead fulfilling lives
- Leave being able to make their 'voices' heard

### WHAT IS IMPORTANT TO US?

- Our students always come first
- We never give up on any young person
- Our learning environment encourages students to be curious, willing learners who are resilient
- Trusting and knowledgeable relationships are built with our students and families to meet the needs of the individual
- Our highly effective staff team place mutual respect, positivity and empathy at the heart of all interactions
- Staff are valued and their development invested in
- Effective systems allow a focus on classroom practice and promote wellbeing
- Diversity within the community is celebrated and seen as an integral part of our success
- Everyone is a leader; highly positive and lead by example

### KEY STRATEGIC PRIORITIES OVER THE NEXT THREE YEARS:

1. Our inspiring curriculum will be student centred and needs led. It will focus on:

- Communication
- Mastering relevant and meaningful skills which prepare learners for life beyond school
- Planning fulfilling pathways through life (careers)

2. Research based practice and enquiry will lead to excellent teaching and learning.

3. A student centred assessment, based on individual and family aspirations, will capture the progress of each student.

4. A 'can do' community will be underpinned by a growth mindset and positive emotional wellbeing.

5. Our staff team will be highly skilled in meeting the ever changing needs of our students and promoting their independence through high quality induction and training.
