Dear Parents/Carers

Household Support Grant – Christmas and February Holidays

The household support grant will be automatically sent to all families who are eligible for free school meals to cover the Christmas and February half term holidays.

Two payments will be made.

The Christmas payment in December will be £30 for each child you have in school.

The February payment will be £15 for each child you have in school.

For eligible families, the payments will be made through a company called Wonde and will be sent by email and text message to the address and number we have on record. If these have changed, please let us know. If you do not have an email address or mobile phone number, please let us know as soon as possible.

The vouchers can be used at all major supermarkets. You will be able to select your supermarket when you receive the email from Wonde. If you have selected before and wish to change you can also do this.

If you are not eligible for free school meals but need support over the Christmas and February holidays, please let us know.

School will close on 17 December 2021 and reopen on Tuesday 4 January 2022. A range of support is available during the school holidays on our website at www.hazelbeck.org

Please let us know if you need help with any of the above.
