

SEND Short Breaks – Specialist Inclusion Day Trips

Here at SEND Short Breaks and Specialist Inclusion, we are running **5-day trips during the February holidays** for our children and young people. Day trips will **not** be running on a 1:1 staff ratio – they are for children and young people who are able to participate in a social activity on a 1:3 staff ratio.

The day trips are fully funded by us, transport is an option, they are **not** family events (young people will attend without parent/carers), and all enquiries from families must be made **via my email address** – halima.kara2@bradford.gov.uk

Your young person will be supported by the full staff team at Specialist Inclusion, including myself, coordinators, and casual support workers.

Our criteria are as follows:

- Children and young people aged 8 – 18 years
- Children with SEND, evidenced in an EHCP
- Children who are **not** open to Bradford Children's Social Care, i.e. do not have an allocated social worker, or any other package of care through a social care team.

If you are interested in our day trips, please email your interest/enquiry with your **child's full name, DOB and your address**. I will ensure our criteria is met, and you will then receive information and booking forms from a member of my team. Spaces run on a first-come-first-served basis, and a booking is only secure once you have received a confirmation email/letter.

We have 5 days of trips – young people are only able to book onto one day (if you would like more than one day, please let me know and should we have space, I will offer an additional day).
