

19 June 2026

Dear Families

I am writing to share the proposal to formally increase the number of places at Beckfoot Hazelbeck from 144 to 194, an increase of 50 places.

In order to accommodate the increase, remodelling of the school site will take place during the school closure for the summer holidays, to allow appropriate space for our students. There will be several changes including the installation of new toilets and internal remodelling to create three new classrooms and additional breakout spaces.

Public Consultation

As part of this process, the proposal will be going to public consultation, this period will last from 22/6/2026 – 10/7/2026.

We will be holding a consultation drop-in meeting at Beckfoot Hazelbeck on **Tuesday 23rd June at 5.00-6.00pm** to share plans and address any of your concerns. We also encourage you to respond to the consultation by scanning the QR code on the consultation document or completing the form available in our news page on the school website here [News and Events – Beckfoot Hazelbeck Special School](#). Paper copies of the consultation are also available by contacting our school office.

We have been updating our systems and processes and recruited additional staff to ensure this process does not negatively impact on your child's time in school.

Yours faithfully

Lisa Little

Headteacher
